11. SIGHT LINES: No fence, wall, hedge, or shrub planting which obstructs sight lines at elevations between two (2) feet and six (6) feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the street property lines extended. The same sight line limitations shall apply on any lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersection unless the foliage line is maintained at sufficient height to prevent the obstruction of such sight lines.

12. TERM: These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years, unless an instrument signed by a majority of the then owners of the lots has been recorded indicating agreement to change said covenants in whole or in part.

Advertising devices, including but not limited to lighting, flags, etc., which are in good taste, may be permitted at the sole discretion of Cross Gates, Inc., but only after written application has been made and approved which satisfies further the advertising device(s) intended to be used. 21. ARCHITECTURAL CONTROL: No construction of any building shall be started until the plans and specifications for said construction shall have been approved by Louis G. Miramon, Jr., or some other person authorized in writing by the corporation to act. In the event the said Louis G. Miramon, Jr. or the corporation's designated representative, fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to him, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with. Louis G. Miramon, Jr., or the corporation's designee, shall have the right, in his absolute discretion, to vary the front set back lines, side yard lines and rear yard restrictions. Such variance shall be signed and recorded in the official records of St. Tammany Parish, Louisiana, and shall act as an amendment to these restrictions for that particular parcel.
